
2018 Returning Member Tuition and Commitment Agreement

The tuition schedule for 2018 combines the commitment portion of show participation and the annual tuition fee.

The Board of Directors desires to keep the costs associated with Muchachos membership very affordable, and the following approach allows members to pay a lesser amount out of pocket, with additional effort allowing you to raise all or the majority of the tuition from other sources.

The Board has approved tuition for returning members at \$50.00 and returning families (Parents with at least one child under the age of 18 participating) at \$75.00.

If desired the tuition can be paid in two installments:

- \$25.00 for single members and \$40.00 for families on December 17, 2017
- \$25.00 for single members and \$35.00 for families on January 7, 2018

Any tuition paid is non-refundable in all circumstances.

I understand that this is a show and parade participation commitment agreement. The 2018 show dates are posted by the end of 2017. Parades, a large source of funds that allow us to keep tuition low, will occur during the end of March, Memorial Day weekend, and July 4th, as well as on additional dates when contracted and posted on our website.
